## Spring 2012 Booklist

This list contains only required texts that you need to purchase. Your course syllabus may contain additional items found on the internet or provided by the professors, along with works recommended by your professor for further reference. Most items on this booklist are available on the grad school online bookstore, found at <http://astore.amazon.com/ndgsspring-20>; ordering information for the others is included below. Please be advised that the online bookstore may not offer the best price or the quickest service – students are advised to order texts early.
