# ABOUT CHRISTENDOM COLLEGE

Christendom College is a four-year Roman Catholic liberal arts college founded in 1977 by lay Catholic educators. The College seeks to form its students by a curriculum devoted to the truths of natural reason and Divine Revelation as discovered through human experience and illuminated throughout by the teaching of the Magisterium of the Roman Catholic Church. The curriculum seeks to integrate harmoniously the knowledge acquired from these sources. The College desires to foster in its students a commitment to the lay apostolate, that is, the task of transforming the social order in Christ.

Christendom College grants both the Associate of Arts and Bachelor of Arts degrees. Students preparing for the Bachelor of Arts degree may major in English, History, Philosophy, Theology, Political Science & Economics, Mathematics, and Classical Studies after completion of a core curriculum.

Students are attracted to the College from around the United States and some foreign countries. Three-quarters come from beyond the Virginia area. The College has a 200-acre campus at the foot of the Blue Ridge Mountains overlooking the historic Shenandoah River.

I appreciate your efforts on behalf of the applicant. Please call me at 800-877-5456 if you have any questions regarding this recommendation or the College in general.

Sincerely,
