Activities & Travel

So Much To Do, So Little Time.
Ronald Reagan attended a small college.

“I think too many young people overlook the value of a small college and the tremendous influence that participation in student activities can have during the years from adolescence to adulthood.

You get to discover things about yourself that you might never learn if you were lost in the crowd of a larger school."

Christendom Difference

• Students don’t just participate in activities – they lead them.
• Students of all majors can take part in all activities – and excel!
• Many opportunities to get involved – helps build your resume and make you a well-rounded individual.
• Many opportunities to broaden your worldview by traveling abroad.
