Price Match Program

- Christendom is your top choice.
- You apply to other schools, just in case.
- You get financial deals back from your schools.
- Your 2\textsuperscript{nd} or 3\textsuperscript{rd} choice school is cheaper.
- We will try and Price Match those schools.
- Bottom line means the actual amount it costs to attend (cash and loans).
- Even when 100% match is not offered, it will help lower your cost.
Look out for PITFALLS!

- Too Small - Nothing to Do
- Too Expensive - Not Worth It
- Too Few Majors - Must Major in Specific Field
- Won’t Get a Job – Unable to Support Family

- This is WRONG! You need to be able to defend your reasons for wanting to attend Christendom – and we are here to help!
