

CHRISTENDOM COLLEGE

BEGINNINGS

Your Preparation for Christendom

Your Journey Begins!

Dear Crusader,

Welcome to Christendom College! We are thrilled to welcome you to our community and excited to accompany you as you begin this new chapter. We look forward to seeing you on campus this August for an extraordinary educational experience that will deepen your understanding of the liberal arts, strengthen your Catholic faith, and inspire a lifelong love of learning.

As Vice President for Student Life & Dean of Students, I will help guide you through the Orientation process and answer any questions that arise over the summer.

Your First Steps: Activating Your Online Accounts

Before the end of the week, you will receive instructions for accessing and activating the following online accounts. These accounts are essential for receiving official communications and completing the required forms.

1. **Microsoft 365:** This platform provides access to your official Christendom email account and Microsoft Office applications.
2. **MyChristendom:** This platform serves as your student dashboard, where you will view your class schedule and complete required forms.
3. **ClinicNote:** This platform serves as your student medical portal, where you will submit health and physical exam forms over the summer and receive follow-up information if you visit the campus nurse clinic during the academic year.

Important: Your MyChristendom login will use the same credentials as your new @christendom.edu Microsoft account. Please activate your Microsoft 365 account before attempting to log in to MyChristendom for the first time. If you experience any issues, we are happy to help.

Staying Informed This Summer

Beginning **Friday, May 22**, watch your inbox for ***Christendom Beginnings***, a series of emails sent approximately twice each week throughout the summer. These messages will include important information about orientation, pre-arrival requirements, campus life, important deadlines, and helpful campus resources.

Please check your email at least twice each week so you do not miss important updates.

You should also bookmark the **Orientation webpage** at www.christendom.edu/orientation. This page will be updated regularly with the latest schedules, forms, and important information.

Once again, welcome to Christendom College. We are honored that you have chosen to join our community, and we look forward to supporting your transition to campus life. Please feel free to contact me at any time with questions.

God bless,
Mr. Cook
