Your Preparation for Christendom

Completing Your Health and Physical Exam Forms

Good evening,

Thank you to everyone who has already begun completing their required forms in MyChristendom! I wanted to share some additional instructions regarding the forms associated with your physical exam.

As noted in my last email, ClinicNote — not MyChristendom — is the portal you will use to complete your Health and Physical Exam forms. You should have received an email earlier this week with a link to activate your personal portal account, so please use that link to get started.

If you did not receive that email, please check your spam folder. If it is not there, please let me know. The email should come from "accounts@clinicnote.com" and look something like this:

Christendom College, LLC has set up an account for you to access and fill out patient records.

To complete the setup process, follow this link and create a password for your account:

<https://dashboard.clinicnote.com/Home/CreateAccountPassword?>

Once you have created your account, you can log in and view your dashboard:

To access the two required health forms, click **Clinic Forms**, the purple box that should display a notification bubble with the number 2. You should then see the following forms:

Form	Shared	Started	Modified	Signed	Actions
Physician Health and Physical Exam	5/9/2026 11:20 PM				Start
Student Health and Physical form	5/9/2026 11:19 PM				Start

Completed Forms
No completed forms found.

- The **Student Health and Physical form** is for you to complete.
- The **Physician Health and Physical Exam** form should be completed by your physician during your physical exam appointment.

This can be done in one of three ways:

1. Bring your laptop or phone to your appointment and have your doctor complete the form electronically, if they are willing to do so.
2. Print the form by pressing *Ctrl + P* and have your doctor complete a paper copy.
3. If you are having difficulty with printing the ClinicNote version, you may instead use this [PDF version](#).

Afterward, you can return to the **ClinicNote** portal (not MyChristendom), click **Uploads** on the left-hand side, and submit a scanned copy of the completed paper forms in PDF format.

Please also note that if you have not received one or more of the required immunizations, you will need to complete the separate **Immunization Waiver** form through MyChristendom. This waiver form is in addition to the Physician Health and Physical Exam Form, which includes a section for immunization records. If you have not received certain immunizations, you may simply leave those items blank on the physician form.

If you have any questions about using ClinicNote, you can also visit their help page at [Client Portal: Client's View](#).

Finally, please note that while most required forms in MyChristendom are due by June 25, the health forms only need to be completed before your arrival on campus in August. However, because summer appointments can fill quickly, we strongly encourage you to schedule your physical exam and complete these forms as early as possible.

Please do not hesitate to contact me with any questions.

God bless,

Mr. Tim Cook
